Covid-19 Updates (Click on link)

COVID-19 AND OUR COMMITMENT TO YOU AND YOUR LOVED ONES

At Columbia Eye Associates we are taking measures to continue to provide high quality eye care and keep you and your loved ones safe.

What We Are Doing:

- We strictly follow guidelines of the CDC, the American Medical Association and the American Academy of Ophthalmology
- All our staff uses CDC-approved mask and other protective personal equipment
- Sanitize all common areas, exam lanes, medical equipment after each patient
- Make sure social distancing is maintained in the waiting room and other common areas
- Reschedule patients that have signs of COVID-19 or have been tested positive
- Our HVAC fans run continuously to maximize air filtration and disinfection of air
- Tele health and phone visits can be performed when appropriate. Please contact our office if you are interested in this type of visit.

What You Need To Do:

- Reschedule your appointment if:
 - If you have *ANY* symptoms of COVID-19:

- Fever
 - Cough
 - Chest Pain
 - Loss of smell/ taste
-
- Have been in recent contact with someone who has any symptoms or tested positive for COVID-19
 - Tested positive for COVID-19 in the past 4 weeks
 - Wear a mask to your appointment, Gloves are optional
 - Have companions wait outside while you are seen, unless needed for assistance or mobility
 - Make sure we have your most up-to-date contact information, including email and cell phone, so we can notify you of any updates.
